SOFIE SOFA

**THERE ARE SOME DAYS
WHEN I THINK I'M
GOING TO DIE FROM
AN OVERDOSE OF
SATISFACTION.
SALVADOR DALI**

You will be unable to get rid of the unique sense of satisfaction from the moment you sit on the Sofie. This sofa is designed and produced according to the principles of personal tailored suits, for those who appreciate workmanship perfection and shape that directly reflects their imagination. The silk-like structure and down cushions stand on the wood frame with cone-shape feet. An additional possibility is the combination of modules with the extension on the sides.

MOYA

DESCRIPTION

1 - internal frame upholstery

flexible cold-shaped polyurethane foam, polyester fiber padding

2 - internal frame

tubular steel and steel profiles

3 - seat cushions and supports

shaped polyurethane of various densities covered with polyester fiber; stuffed with feathers or filled with silicone mixtures

4 - additional cushion

cotton cover; stuffed with feathers or filled with silicone mixtures

5 - cover

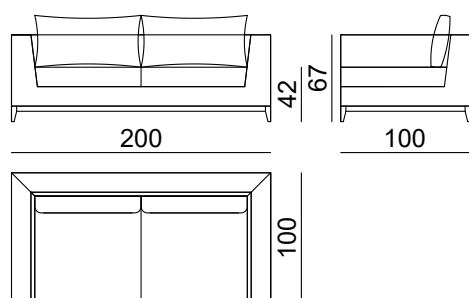

fabric; removable cover

6 - frame stand and feet

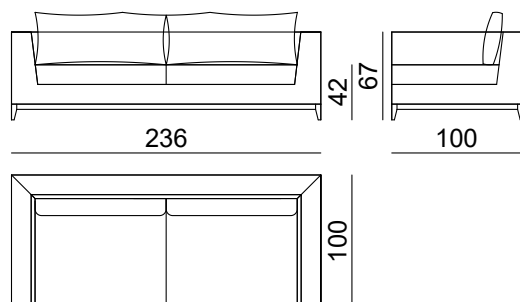

oak wood
